Registered Products – Renewal of Registration

Dear Tom

Having fulfilled the requirements stipulated in the *Registration Scheme: Suppliers and Products for Bridges and Other Structure*, registration is granted for cementitious materials supplied by Xypex Australia to Transport and Main Roads.

Details of this registration are as follows:

- Registration is effective from 1 September 2019 to 1 September 2022
- Registration is designated Level 2 in accordance with the registration scheme

The following products are covered by this registration:

Material Type	ATIC Ref.	Plant	Clinker Source	SCM Source
Amorphous Silica	128			China

Conditions of registration are included in *Registration Scheme: Suppliers and Products for Bridges and Other Structures*. Registration is subject to:

- Satisfactory performance in accordance with Transport and Main Roads Specifications;
- Continued registration of product with ATIC, with regular submission of test data;
- Timely resolution of non-conformances to the satisfaction of Structures Construction Materials (SCM)

If you have any questions regarding this registration, please do not hesitate to contact us.

Yours sincerely

Wayne Roberts
